

WEEK

7

Weekdays until due date: 10

Beginning of week:

- ☐ **1. Review** Science Communication Slides on Moodle.
- 2. Re-read** your literature review and determine the key ideas.
- 3. Determine** what platform will be used to create your visual abstract. Examples – PowerPoint, [BioRender](#), [Canva](#)

Throughout week:

- ☐ **1. Create** your visual abstract. The visual abstract should include:
 - a) A clearly defined structure for your main ideas
 - b) Title and minimal text to explain the main ideas
 - c) Use fonts/colours/shapes to engage the audience
 - d) Use figures/images from papers to explain main ideas if necessary (however avoid if complexity arises)
 - e) Reference with [Havard](#) in-text citations

End of week:

- ☐ 1. Continue to complete your visual abstract.

WEEK

8

Weekdays until due date: 5

Beginning of week:

- ☐ **1. Read the feedback** from your demonstrator for the literature review.
- 2. Read** the [rubric](#) for the visual abstract section and **fix/finalise** the visual abstract where necessary.

Throughout week:

- ☐ **1. Write** the transcript for the presentation. The presentation includes:
 - a) Description of main ideas – ensure the description suits your BABS1201 audience.
 - b) Integration of your visual abstract.

End of week:

- ☐ **1. Read** the [marking criteria](#) for verbal presentation and **fix/finalise** the transcript where necessary.
- 2. Create** palm cards with your transcript

WEEK

9

Due: before enrolled Week 9 lab

Beginning of week:

- ☐ **1. Practise** presentation with palm cards and your visual abstract. Make sure to:
 - a) Speak with appropriate tone, pace and enthusiasm
 - b) Integrate visual abstract
 - c) Stick to the 3-minute time limit

Throughout week:

- ☐ 1. Continue to practise presentation with palm cards and your visual abstract.
- 2. Create** a Word document that includes:
 - a) A screenshot of your visual abstract
 - b) Text included in your visual abstract
 - c) Transcript written for your presentation
 - d) Havard reference list of your in-text citations

End of week:

- ☐ **1. Submit** the Word document on Turnitin before your Tuesday or Wednesday lab.
